### **BUDGET MESSAGE**

May 1, 2025

Dear Mayor and Council:

Enclosed is the proposed 2025-2026 Annual Budget for the Village of Tobaccoville. This budget reflects the Village's interest in maintaining cost effective and quality services to the citizens of Tobaccoville.

The proposed budget does not provide any new services, but sufficient funding for the provision of all existing services is made. The garbage and recycling service contract cost per household increases this year due to a contractual increase as well as overall household growth. This budget requires no municipal tax increase and reflects a conservative tone even with cost increases in some departments due to inflation.

The 2025-2026 Budget, as proposed, will require no appropriations from fund balances and I anticipate having approximately a \$2,268,086 balance left in the General Fund at the end of the 2025-2026 fiscal year, depending on the authorization of capital projects, acquisitions, equipment purchases, grants received, and actual expenses. Overall Village fund balance including the Restricted Fund, Powell Bill Fund, and Services Fund, is estimated to be \$2,961,830 by the end of fiscal year 2025-2026.

As required by G.S. 159-11, the revenue neutral rate has been determined to be .0345. This is the tax rate necessary to generate the same amount of ad valorem revenue that was generated last year prior to the county property tax revaluation. A decrease or increase in the current tax rate is not recommended in this year's budget. Next year's recommendation will have to be adjusted for changes within the framework of state shared revenue estimates, county property values, Reynolds tax equivalent payment totals, and necessary expenses to fund services, park projects, and infrastructure. This budget allows some flexibility, and I believe that we will perform better than expected in regards to expenditures in each department by fiscal year end. This budget reflects the commitment of the Village of Tobaccoville to provide the best possible use of taxpayer monies.

Sincerely,

Leo D. Corder Jr. Village Administrator
