## Administrator's Update

**It is the policy of the Division of Highways to remove snow and ice in the following order of priority:**

**1.** Those routes included in the Bare Pavement System. These generally consist of all interstate and four-lane divided primary routes and other secondary routes considered to be essential to the fulfillment of the overall objectives of snow and ice removal - the movement of intrastate traffic.

**2.** Other U.S. and N.C. Routes not included in the Bare Pavement System.

**3.** Other paved secondary routes not included in the Bare Pavement System. Unpaved secondary roads.

The Bare Pavement System route in our area is Highway 52 (treated as Priority 1). Priority 2 roads are Reynolda Rd./ Highway 67. Priority 3 roads are: Doral Dr., Tobaccoville Rd., Spainhour Mill Rd., Moore/RJR Rd., Griffin Rd., Mizpah Church Rd., Ridge Rd.,Vienna-Dozier Rd., Jefferson Church Rd.

**For a copy of the full Policy and map showing Road Clearing Priorities, stop by Village Hall.**
